ENERGY SAVING AGREEMENT

Precision Tune-up and Professional Cleaning

This agreement provides you with a precision tune-up and professional cleaning twice a year.

Congratulations on your purchase of one of the most comprehensive service plans available, one that provides you with a superior preventive maintenance program. This plan is designed to extend the life of your heating and cooling units, and help cut costly repairs. This type of equipment service is industry recognized as the best way to maximize your energy efficiency, which in turn saves you money on heating and cooling costs. This preventive maintenance plan also promotes a safer environment for your family, by performing special safety checks that help guard against deadly carbon monoxide leaks.

BENEFITS

You are now identified as a "Preferred Customer" which entitles you to priority service and special cash discounts on certain repairs and replacements. You will soon experience something that no amount of money can buy. We call it "Peace of Mind", knowing that your home, your family and your budget have now all been protected.

1. Repair parts not covered by this plan or manufacturer's warranty will be charged at prevailing list price, less a 10% DISCOUNT for your "Preferred Customer" status.
2. The hourly service repair rate for work performed but not covered by this plan will be charged at prevailing rates less a 10% DISCOUNT for your "Preferred Customer" status.
3. All repair parts and workmanship on work covered by this plan are warranted for 30 days from the date of service.
4. Repair services requested shall be provided during normal working hours, Monday through Friday. Repair services requested by customer for other than normal working hours shall be charged at the current overtime rate, less a 10% DISCOUNT for your "Preferred Customer" status.
5. To obtain service in either normal or emergency situations, simply call and you will receive PRIORITY SERVICE over non-plan holders.
6. This plan is fully transferable to your new home (in the local area) or the subsequent owners of the current home, in the event you sell the home under which this agreement was originally written.
7. Air Conditioning is not considered an emergency.
8. Chemicals, freon, nitrogen and leak test less 10%.
9. Only the equipment listed below is covered.
